Guru Nanak Dev University,
Amritsar.

Sir/Madam,

UGC vide letter no. F.12-I/2015 (CPP-II) dated 15.10.2015 had instructed all the universities to follow a uniform span for all degrees in the country, as such the N+2 system was adopted by the syndicate in its meeting held on 31.07.2018 vide para no. 6.5. Now as there is N+2 system is in practice the following amendments need to be done in promotion rules of all programs in the clause 7C and 7D of common ordinances of Credit Based Evaluation and Grading System (CBEGS) as under :

C) A student will be required to clear 50% of the theory papers at the end of each academic session i.e. after the results of May (even semester) examinations for promotion to the next semester e.g. if there are six papers, he/she will have to clear three papers and if there are seven papers, then he/she will have to clear four papers.

D) A student who has cleared 50% of the theory papers as in the above said clause and has failed in the remaining courses would be eligible to appear in the repeat examination. For such candidates, repeat (Mid Semester & End Semester) examination for an odd semester shall be conducted along with the next odd semester and even semester along with the next even semester. They should register for these (repeat) course/s in the beginning of that semester but need not to attend the classes again. however, they may consult the concerned teacher for guidance.

It is reiterated again that the duration of the degree will be N+2 and the UGC instruction will be followed without deviation. This will be applicable from the session 2018-19 and onwards.
