Governor

It is a matter of immense pleasure for me to know that Guru Nanak Dev University, Amritsar is publishing its 45th Annual Report highlighting its year long achievements, programmes and the significant events organized in 2014 in academics, sports and cultural activities.

Guru Nanak Dev University is committed to the aims and objectives with which it was established by the Punjab Government. It has been successfully imparting quality education in different faculties since its inception through its main campus, regional campuses, constituent colleges and affiliated colleges. A good number of students pursuing professional and technical courses in this seat of higher learning are offered employment by big business houses of the country and multinational companies. Having earned the status of 'University with Potential for Excellence' from the UGC is another crowning glory of the University. No doubt, over the years, the University has been marching forward not only in academics, but also in sports and cultural fields.

I am sure, the 45th Annual Report will prove a useful document for evaluation and monitoring of various programmes undertaken by the University; and the concerted efforts of the administration, faculty and the students will pave way for further advancement of the University.

Prof. Kaptan Singh Solanki
Governor of Punjab
Chandigarh

Vice Chancellor

I am pleased to present the Annual Report for the year 2014 of Guru Nanak Dev University, an institute dedicated to the cause of quality education, research and training. This is a compilation of hard work done by one and all associated with the University.

I feel proud to share that in this year, Guru Nanak Dev University earned high CGPA 3.51/4.00 from National Assessment and Accreditation Council (NAAC) in the third cycle of accreditation. The University has become one of the leading Universities in India. The rising interest of students for admissions in UG, PG and Ph.D. programmes itself reflects that the University has high credibility.

The University has continued with its commitment for the infrastructural development and has completed Sri Guru Granth Sahib Bhawan that reflects the Sikh architecture. Further, it will transmit the message of universal brotherhood and peace enshrined in the holy Sri Guru Granth Sahib. Regional Campus, Fattu Dyinga (Sultanpur Lodhi) started functioning at Fattu Dyinga in this year. New Girls' Hostel with a capacity to accommodate more than 750 girls became functional.

Our faculty members bagged prestigious projects from UGC, DST and other funding agencies. Our University teachers continued to publish quality research publications in reputed journals. Further, we organized a number of national and international conferences/seminars in this year.

The University once again achieved the positions of excellence in the fields of teaching, research, sports and cultural activities. Guru Nanak Dev University has won India's most prestigious Maulana Abul Kalam Azad Trophy for record 22 times, claimed Runners-up position 13 times and attained third position thrice.

Our sprawling Main Campus, 4 Regional Campuses and 9 constituent colleges are all teeming with exuberance and progress. The faculty, students and staff have shown complete commitment towards achieving all this and deserve appreciation and congratulations.

Ajaib Singh Brar
Vice-Chancellor

Dean Academic Affairs

Guru Nanak Dev University is an institution that has commitment and hard work as its driving force. The year 2014 was yet another year full of achievements in the field of academics, sports and cultural activities. Recognition by the NAAC and high score of 3.51 was the biggest accomplishment of this year. Though situated in the border-region of the country, the University has always strived to upscale its academic standards and this year's annual report is a compilation of all that was done in the year 2014. Ever expanding infrastructure, large number of students subscribing to the courses offered by the University and a highly motivated faculty are the strength of our University with which we are serving the society in this state, in this country.

This is an exhaustive compilation of the academic, administrative and co-curricular activities that were carried out by the students, researchers, faculty and the staff of the University.

Registrar

Guru Nanak Dev University, Amritsar has made a mark at national and international level on the basis of achievements during forty five years of its glorious history. The University has scaled new heights in academics, sports and cultural activities. The University has carved out a niche for itself on the academic map of India and has now become an excellent centre of learning for students from urban, rural and border areas. The University Grants Commission acknowledged our University's contribution to teaching and research in humanities and sciences by awarding it the status of University with Potential for Excellence. Recently the University has been accredited with CGPA of 3.51 on four point scale at 'A' Grade by NAAC peer team on the basis of its academic, research, sports and cultural achievements.

Under the dynamic leadership of our visionary Vice-Chancellor Prof.(Dr.) A.S.Brar, the University is doing its utmost to come to the expectations of the people. It is committed to bring innovations to elevate the academic and research standards to the highest levels and to become the University with excellence.

Sharanjit Singh Dhillon
Registrar
