About the Institution

Guru Nanak Dev University was established at Amritsar, India on November 24, 1969 to commemorate Guru Nanak Dev's birth quincentenarcelebrations. The university has marked its emblem across the globe and iscontinuing its journey of achieving new heights in pursuance of itscherished goals. University Grants Commission (UGC) has granted category-1 status to the university, the only university to get this ELITE STATUS in the region of Punjab, Haryana , Himachal Pradesh &Chandigarh . Improving its rank from last year, Guru Nanak Dev University has been ranked 59 in the All – India university ranking released under the national institution ranking framework (NIRF) by the Ministry of Human Resource Development (MHRD), Govt. of India. Guru Nanak Dev University (GNDU) being a State University became the first university to get approval of School of Education. The SOE endeavors to provide programmes of excellence in pre-service and in-service education of prospective and practicing teachers through teaching and learning, research, consultancy, publication and community services.

About the Workshop

School of education (PMMMNMTT), of Guru Nanak Dev University organize a one week workshop on "Designing of MOOC" under Pandit Madan Mohan Malaviya National Mission on Teacher and Teaching. The theme of this workshop is to sensitize the participants about the digital initiatives of GoI in Higher Education and to Develop MOOC Course as a tool for teaching blended learning. The workshop shall include online lectures and interactions .The participants will be provided with step by step guidelines for training on development of content based on various blended learning strategies and draft will be submitted by participants on the completion of the workshop. Participants will experience and learn about Designing of MOOC course and other requisite tools for its development.

Workshop Registration

There is no registration fee for the workshop. Fill the attached registration form provided in the google form opened using the following link https://forms.gle/Y2dQmSqYudr5PepH9 duly forwarded by the competent authority, create a pdf and send on the email pmmmnmttgndu@gmail.com. Submission of this form does not guarantee registration till you receive confirmation of admission to the workshop.

Objectives

★ To provide an opportunity to experience a "on-line course".
★ To equip the participants to create blended/online materials and/or courses on their own. To design & develop a specific MOOC course.
★ To use MOODLE to transact the curriculum and for the effective management of student services in the classroom.
★ To comprehend and apply free open source software (FOSS) tools for concept integration in classrooms and designing practical solutions.

Target Group

Teacher Educators, Teachers in Colleges/Universities and Research Scholars (Paid) will be considered as the participants of this workshop. Number of participants will be 100
