Instruction for giving Response

1. The candidate must fill the roll Number in words and figures at specified spaces. In this sample sheet the roll number is filled as 79021. Under every digit of the roll number, the corresponding circle should also be shaded. For this purpose ten circles marked as 1,2,3,...9 and 0 have been provided under every digit.
2. Each question has four circles which have been designated as A,B,C and D out of which one and only one circle should be shaded.
3. Each question consists of four alternative choices marked as A,B,C and D. Out of these only one is correct. For every question which the candidate wants to attempt, corresponding circle out of A,B,C, or D should be shaded, correct response shall be awarded 2 marks each.
4. If no circle or a question is shaded or more than one circles are shaded for the same question, it shall be considered as wrong and shall carry no mark.
5. **In the given specimen, for question 1 response shall be taken as A, while that for question 2 as B. In question 3 more than one circle has been shaded and shall be treated as wrong and shall carry no marks. The remaining question which have been left unattempted, shall also carry no marks.**
6. **Use only black ink Gel pen for shading the circles in such a way that no white space is left.** Partially shaded circles may not be resolved properly, which may be treated as wrong answers.
7. Writing anything on the response sheet except at the specified places may lead to cancellation of result.
8. **Use of rubber, blade or a fluid to alter the responses is strictly prohibited. This will be considered as wrong answer.**
9. Calculator, Mobile phones, Pagers, Books etc. shall not be allowed in the examination hall.
10. There shall be no negative marking.
