

## International Symposium

### On

## **“Recent Advances in Self-assembled Materials and Supramolecular Chemistry”**

**to celebrate the 60<sup>th</sup> Birthday of Prof. Manoj Kumar**

**March 19, 2022**

**Guru Nanak Dev University, Amritsar**

### **Instructions for Poster Presentation**

- I. The Posters to the Symposium will be presented through the URL: <http://online.gndu.ac.in/ChemSymposia2022/> website.
- II. Poster presentations will have defined hours within the Symposium hours. In addition, the Posters will also be kept for viewing for the entire Symposium day;
- III. The Conference Posters must be in a PowerPoint presentation form containing not more than 12 slides.
- IV. The poster must include **title, presenter(s) information, e-mail address of presenter(s) for contacts, short description of the content, diagrams, equations (when necessary), results, figures (if necessary), conclusions, references, acknowledgments, etc.**
- V. All the selected poster presenters should **provide a PDF of PowerPoint presentation YouTube link of pre-recorded video\*** explaining the poster by **17th March, 2022**. The PDF of the PowerPoint presentation should be named as Posternumber-PDF.pdf and the **video should be named as Posternumber-video.mp3<sup>#</sup>**, here Posternumber will be the number assigned to your poster.
- VI. In case of multiple authors, only one shall present the poster in a pre-recorded video.
- VII. During Poster presentation hours, the presenter is required to be available active. The presenters need to address the questions in the chat box of their poster video, if any.
- VIII. Place your passport size photo and affiliation in the first slide.

\*presenters can use PowerPoint audio synchronization or zoom video recording option to record a YouTube video of their poster.

#YouTube video should be uploaded by the presenter himself on his/her YouTube account and link for the same should be shared on [issamsupra2022@gmail.com](mailto:issamsupra2022@gmail.com).
