Advertisement for the post of Project Associate – 1

Applications are invited from eligible candidates for one temporary post of Project Assistant -1 in the SERB-DST funded research project entitled, "Superactive Single Atom Catalysts (SACs) derived from organic carboxylate-based metal organic frameworks (MOFs) for efficient electrocatalytic water splitting" undertaken in the Department of Chemistry, Guru Nanak Dev University Amritsar, Punjab. The project involves the synthesis of carboxylate- based metal-organic frameworks derived single atom catalysts. These single atom catalysts will further be utilized for electrocatalytic water splitting. The details are as follows:

Principal investigator (P.I.): Dr. Amanpreet Kaur

Position: Project Associate -1 (PA-1)

Eligibility: M.Sc. in Chemistry or equivalent degree with a minimum of 55% aggregate score; for the SC/ST category, the candidate must have secured a minimum of 50% aggregate score.

Fellowship: as per university/project norms.

Duration: till the tenure of project

Desirable Qualifications/ Experiences: The candidate from a relevant background will be preferred. The candidate must perform laboratory experiments and write the research articles.

General terms and conditions: Original documents of age proof/certificates/degrees/mark-sheets and other testimonials must be presented at the time of interview (walk-in interview). Self-attested photocopies of these documents are to be submitted on the day of the interview. Kindly visit the university website on a regular basis to get the schedule of the walk-in interview. The selection will be based on the performance of the interview, academic career, and the requirements of the project. Mere possession of minimum qualification does not guarantee selection. Only selected candidates will be communicated, and no other communication in this regard will be entertained. The authority reserves the right to accept or reject any or all applications without assigning any reason thereof. No TA/DA will be provided for attending the interview.

Principal investigator (P.I.) details: Dr. Amanpreet Kaur, Assistant Professor, Department of Chemistry, Guru Nanak Dev University Amritsar 143005
