## About Guru Nanak Dev University

Guru Nanak Dev University was established at Amritsar, India on November 24, 1969 to commemorate Guru Nanak Dev's birth quincentenary celebrations. The university has marked its emblem across the globe and is continuing its journey of achieving new heights in pursuance of its cherished goals. University grant commission (UGC) has granted category -1 status to the university, the only university to get this ELITE STATUS in the region of Punjab , Haryana , Himachal Pradesh & Chandigarh . Improving its rank from last year, Guru Nanak Dev University has been ranked 59 in the All – India university ranking released under the national institution ranking framework (NIRF) by the ministry of human resource development (MHRD), Govt. of India. Under swachh campus ranking 2018 of higher educational institutions university got 2<sup>nd</sup> rank at national level amongst the cleanest higher educational institution in the country in the category of government universities. The University is ranked as one of the top universities in North India with a score of 3.51 on a 4 point scale by National Assessment and Accreditation Council (accredited at highest level i.e. A++ as per the new modified criteria) and it has also been conferred with potential for excellence (UPE) by UGC and is amongst 16 universities in the country to be bestowed this status. The MHRD has also released a grant of Rs. 107 crore for modernizing the main campus of Guru Nanak Dev University. This year again the university has won the highest sport award in the country, the Maulana Abul Kalam Azad Trophy , for a record of 23 times.

## School of Education

The School of Education (SOE) forms the main backbone of integrated development of eachers. By setting up a School of Education, the university intends to strengthen the holistic vision for teacher education in the state, keeping it intimately connected with school education. This would in turn support and enable professional development, research collaboration, school interventions, curricular resource development and state academic planning. Keeping in view the present context of educational settings, the SOE offers academic programmes in education as an area of knowledge and field of professional practice. The SOE will focus on engaging teachers/scholars in educational discourses and knowledge generation. It will also provide avenues for professional development of teachers, teacher educators and other educational functionaries. The SOE endeavours to provide programmes of excellence in the pre-service and in-service education of prospective and practising teachers through teaching and learning, research, consultancy, publication and community services.

## About the Workshop

School of Education (PMMMNMTT), GNDU organizing a 14 days workshop on e-learning for teacher educators under Pandit Madan Mohan Malaviya National Mission on Teacher and Training. This scheme was launched with intent to improve quality in educational development at all stages of education. The theme of this workshop is to prepare teaching learning material including e-content. The workshop include lectures as well as extensive hands on training which will provide both theoretical and practical exposure to the participants. The workshop will also acquaint participants with different e-learning approaches. The participants will get hands on training on development of e-content and draft will be submitted by participants on the completion of the workshop.

## Objectives

- To acquaint participants with e- content
- To familiarize the participant with tools and techniques of e- content.
- To develop competencies for using EDUSAT, MOOC( Massive Open online Courses)
- To acquaint participants with e- learning approaches.
- To development understanding of e- content component: synchronous and Asynchronous.
- To develop skills to formulate e-content with the 4 quadrant approach.

## Target Group

Teacher Educators and teachers in higher education will be considered as the participants of this workshop. Number of participants will be 30.

## Workshop Contents

- Introduction of e- content.
- Tool and techniques of e-content.
- Standards for creating e-content.
- Content creation.

## Workshop Registration
