**Organized by
UGC HUMAN RESOURCE DEVELOPMENT CENTER, GURU NANAK DEV UNIVERSITY, AMRITSAR**

Guru Nanak Dev University, Amritsar is one among the top ten “High performing state public Universities” across India as per MHRD, conferred with “University with Potential for Excellence” status by UGC and accredited A++ by NAAC. The University has been winner of MAKATROPHY 22 times for excellence in sports, along with being winners in inter-university cultural activities competitions multiple times. University with a green campus and beautiful architecture has the status of the second cleanest (“Zero Waste Campus”) among higher educational institutions in the country in the category of Government Universities by the MHRD. The university has been recently ranked at 14th place among the top 50 universities of country by India Today. The university has also been sanctioned a Centre for interfaith studies by MHRD. The MYAS-GNDU Department of Sports Sciences & Medicine is the only department in state universities offering Ph.D. in the field. The university provides conducive environment for research and teaching, sports, cultural and other extra-curricular activities to its twenty thousand students in various faculties at the University campuses and constituent colleges. The university has state-of-the-art infrastructure in well-equipped laboratories and for sports.

About Course

The Refresher Course in “Basic & Applied Sciences” is an ONLINE course focusing on relevant current and upcoming topics in the field of sciences. The course aspires to motivate the faculty members in higher educational institutes towards interdisciplinary research. The purpose of the course is to reinforce the exchange of knowledge and ideas from different fields of sciences and enhance the interest of faculty members in the applied aspect of sciences.

UGC-HRDC, GNDU, Amritsar,(previously known as Academic Staff College), Guru Nanak Dev University, Amritsar was established in 1987 following introduction of the scheme by the University Grants Commission. Since its inception, it has been attracting teachers from all over India, and has become a platform where the Guru Nanak Dev University's academic community shares its knowledge, insights and ideas with the larger academic community of the country on a reciprocal basis. The HRDC, G.N.D.U. Amritsar has achieved high standards of excellence in its working, based on team work of a small, committed, dedicated and competent group of teaching and non-teaching staff. The efforts made by the HRDC to equip teachers with excellent academic standards and pedagogical tools are academically and socially relevant. In this globalized era efforts are being made to keep pace with the constant flow of information to update the knowledge base and outlook of the teachers at regular intervals.
