

GURU NANAK DEV UNIVERSITY

Instructions/Guidelines for the post of Junior Engineer (Civil), Construction Department.

1. There will be Theory and Practical Test for the post of Junior Engineer (Civil), Construction Deptt.
2. The distribution of marks will be as under:

Theory Test	:	70 marks
Practical Test	:	30 marks
3. The theory paper shall be of one hour duration and consist of 70 multiple choice questions having one mark each.
4. There will be no negative marking.
5. To pass the theory and practical test, the candidates will have to obtain atleast 50% marks in theory and practical test separately. Only those candidates will be called for practical test, who obtain 50% marks in the theory test. Similarly, only those candidates will be included in the final merit-list, who will obtain 50% marks in the practical test. However, merit will be prepared on the basis of marks to be obtained by the candidate in theory and practical test.
6. The theory paper will be set out of the syllabus for Three Years Diploma in Civil Engineering of Punjab State Technical Education Board.
7. The practical test will be based on different kind of job requirements for the post.
