Computer Centre (Examinations)

The computer centre managed Student database, design of programs for exams related activities, return system for colleges, student photo database management, data/result processing and declaration, and uploading of result, DMC and gazettes on University website, printing of DMC/DEGREES and post result notification declaration & printing of different kinds of examinations i.e. CBES, Semester & Annual.

It was also involved in the following activities:

- Assisted various departments in selection of hardware, software and technology.
- University e-Governance initiatives linked with examination related modules.
- Computer Awareness training to newly appointed staff in examination branches.
- Examinations, Evaluation and Grade Preparation of the students studying in University Campus and Regional Campus is being done by the respective Departments through the software prepared by Computer Center.

Major Reforms initiated & implemented

- Online application for Re-evaluation has been launched. Students can fill re-evaluation form through online hence no need to submit the hard copy in University.
- Online application for Practical Award Entry has been developed by the University. This application is to be launched in May'2016 for Practical Examinations. User training is going on and representatives of 126 Colleges from Amritsar, Tarn Taran, Jalandhar has already got the training.
- E-governance in Examination system has been achieved towards communications with various Campus Departments, RCs, UCs, Affiliated Colleges and Associate Institutes regarding date-sheets, practical examinations students roll no pasting's, center allocations, return of the students etc. on regular basis.
- Examinations, Evaluation and Grade Preparation of the students studying in University Campus and Regional Campus is being done by the respective Departments through the software prepared by Computer Center.

- Synchronization with the OMR system and unique codification of whole examination system.
- Minimizations of examination forms.

Infrastructure up gradation:

- The Evaluation Centres and Coding/De-coding Halls of Secrecy Wing have been brought under Cameras surveillance to monitor ongoing confidential work by Assistant Registrar (Secrecy) & Professor Incharge (Examinations).
- Scanning Room (OMR) of secrecy branch has been upgraded for Tiled Floor, False Ceiling, fixed furniture for processing, Computers with latest configurations, Networking.
- Computer Section & Controller Office is being upgraded for Tiled Floor, False Ceiling, fixed furniture for processing, Computers with latest configurations, Networking & Cameras surveillance and online power supply.
